

The screenshot shows the jamovi software interface. At the top, there is a blue header bar with the 'jamovi' logo and a back arrow icon. A cat character is pointing to this icon with the text 'メニューを閉じる' (Close menu). To the right, there is a yellow arrow pointing from the 'jamovi' logo to a smaller window showing the '探索' (Explore) tab. Another cat character is pointing to the menu icon in this smaller window with the text 'ここ!' (Here!). Below the header bar, there is a list of menu items: '新規' (New), '開く' (Open), '読み込み' (Load), '保存' (Save), '別名で保存' (Save as), '書き出し' (Export), and '最近のファイル' (Recent files). A large blue arrow points from the 'jamovi' logo to the '探索' (Explore) tab.
