

The screenshot shows a software interface with a top navigation bar containing 'Data', 'Analyses', and 'Edit' tabs. Below the navigation bar is a toolbar with various icons. The 'Setup' icon, which is a grid with a gear, is circled with a dashed orange line. A cartoon cat character is standing next to the 'Setup' button, pointing at it with its right paw. Another cartoon cat character is standing to the left of the table, pointing at the 'A' column header. The table has five columns labeled 'A', 'B', '設定', 'D', and 'E'. The 'A' column has values 1, 2, 3. The 'B' column has values 1, 2, 1. The '設定' column has values 18, 19, 19. The 'D' column has values 175, 158, 172. The 'E' column has values 70, 45, 62. The cell containing '62' is highlighted with a blue border.

A	B	設定	D	E
1	1	18	175	70
2	2	19	158	45
3	1	19	172	62
